

Grand Hotel Europa – Tradition has a name

Connecting worlds - at Grand Hotel Europa in Innsbruck, modern Italian design and pleasant Tyrolean cosines meet at the interface of cultures between Munich, Milan, Zurich and Vienna.

Innsbruck's only 5-star hotel unites history and future as the first address during the Olympic Winter Games in 1964 and 1976, numerous events and conventions, and in the recent past also as official "headquarters" hotel of the UEFA EURO 2008. The central city location makes it an ideal starting point for discovering the unique Tyrolean mountain world and culture.

Every occasion requires its space

117 rooms and suites, all recently completely refurbished, provide something for every taste - from Tyrolean flair to modern design. With the "Europa Stüberl" the Grand Hotel Europa has a top class restaurant, which is renowned far beyond Innsbruck borders. The newly refurbished Europa Bar is an ideal meeting – place whether for espresso in the morning or a nightcap in late evening.

Thanks to the new "Hungerburg & Nordkettenbahn" (cable cars) starting directly from the Innsbruck city centre, mountain peaks of over 2,000 metres above sea level and impressive scenic panoramas can be individually experienced after a 20-minute cable car trip.
